## Notes

1. The Standard Tariff is applicable to all products and services offered by Credit Agricole Corporate and Investment Bank (China) Limited and all its branches (“the Bank”) to the clients.
2. The government-guided and government-set pricing are based on the regulations including “Measures for Administration of the Service Prices of Commercial Banks” (Order No.1 (2014) by China Banking Regulatory Commission (“CBRC”) and National Development and Reform Commission (“NDRC”) and “Notice of NDRC and CBRC on Issuing the Catalogue of Government-guided Pricing and Government-set Pricing for Services Provided by Commercial Banks (fagajijage No.268 (2014)).
3. All charges in the Standard Tariff shall not include the fees and taxes charged by any other organizations and any relevant governmental or supervisory authorities. The aforementioned fees and taxes, if any, shall be paid in accordance with the rates prescribed by the aforementioned organizations and relevant governmental or supervisory authorities.
4. The Standard Tariff shall apply to all standard products and services offered by the Bank to the extent that the Standard Tariff does not conflict with any special agreements on fees and charges for any transaction entered into by a client and the Bank; if there is any inconsistency between the Standard Tariff and such special agreement on fees and charges, such agreement for that transaction shall prevail.
5. The charges for the market-oriented pricing items in the Standard Tariff are set on the basis of actual costs for labor, system operation and maintenance, communications, mailing and other administrative costs of the Bank and with reference to the standard service fees charged for similar services by the domestic banking industry.
6. The Bank may, at its own discretion or required by the laws and regulations and/or by the provisions of the governmental and supervisory authorities, amend the items, standard charge and service description of the Standard Tariff from time to time. Please refer to the Bank’s public notice for such amendments.
7. The Standard Tariff has been published on the Bank’s website, please visit the page: <https://www.ca-cib.com/our-global-markets/asia-pacific/china>
